30 Sherwood Avenue Rosebud VIC

3 2 6

Designed around outdoor living and relaxed family time, this home brings together warm interiors and a backyard that naturally becomes the centre of summer living. Set behind established gardens on approximately 892sqm, the property offers privacy, space and a layout that flows easily between indoors and out.

The outdoor setting has been thoughtfully designed by Radar Landscaping, creating a series of spaces that feel both playful and private. A solar heated pool sits amongst crazy paving and landscaped garden pockets, while multiple areas provide room to entertain and unwind. The yard includes a quarter Ballr court, outdoor bath and shower and several fenced lawn areas designed for children and pets.
